Amazing Trees, Shrubs and Bushes

Callistemon citrinus 'Splendens' (Crimson Bottlebrush 'Splendens') - £85

Medium-sized evergreen shrub with slender arching branches clothed with narrow, rather stiff leaves, and bearing bright crimson bottlebrush-like flower spikes 15cm in length near the shoot tips. Grow in a sheltered position in full sun with a moist but well-drained soil. Wall-side Borders City & Courtyard Gardens Mediterranean Climate Plants Patio & Container Plants. Lightly prune after flowering to keep them under control, cutting just behind the spent flowerhead. Most callistemons do not take kindly to being hard-pruned, although *C. citrinus* 'Splendens' can be cut more severely, and this is best attempted immediately after flowering. Ultimate height 4-8 metres. Ultimate spread 2.5-4 metres (10-20 years). Hardy in coastal and relatively mild parts of the UK (-5 to 1).

Olives

We stock olive trees and bushes in various sizes and shapes.

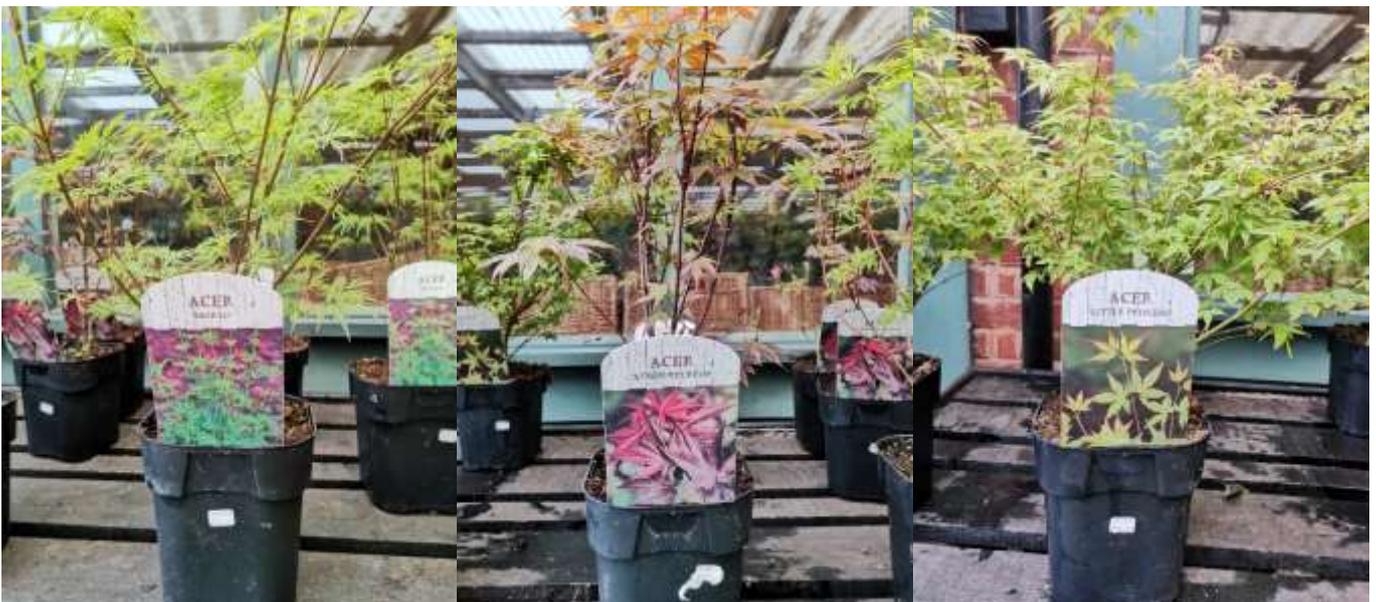

Teucrium fruticans 'Azureum' - £35

Evergreen shrub with white-felted shoots and small, ovate, glossy dark green leaves, white beneath. Terminal racemes of two-lipped, clear blue flowers 2.5cm long open in summer. Grow in a sheltered border with full sun or against a warm, sunny wall in well-drained neutral to alkaline soil. Generally trouble free. Hard pruning in early spring to reinvigorate vigorous grow. Ultimate height/spread 1-1.5 metres (5-10 years). Hardy in coastal and relatively mild parts of the UK (-5 to 1).
