Autumn Bliss	30cm tall	£9.99

TOMATOES
all £1.49

Alicante

early variety
excellent for the UK climate, can be grown very successfully outside

Gardener's Delight

heavy cropping tomato
small size fruits which are extremely sweet in flavour
grow outdoors or in containers on the patio

Sweet Million

a heavy cropping cherry tomato
ideal for the greenhouse or a sunny patio

Ailsa Craig

vigorous cordon variety
in the greenhouse or outdoors
exceptional flavour of its fruit, which ripens early in the season

Super Marmande

a large, juicy beefsteak tomato
deal for adding to salads or cooking
in the greenhouse or outdoors
requires minimal training

Moneymaker

medium-size tomatoes suitable for fresh use and preserves
a cordon type tomato

Black Opal

a dark chocolate coloured cherry tomato
can be grown staked or caned in an unheated greenhouse or outside

Roma

A specially bred plum tomato, almost seedless fruits
ideal for preserving and making ketchup, tomato juice and soups
semi-bush variety, very heavy cropping
in the greenhouse or outdoors

F1 Shirley

one of the best varieties suitable for cold or slightly heated glasshouses
a cordon type tomato
highly recommended and easy to grow

F1 Sungold

an outstanding cordon cherry tomato
in the greenhouse or outdoors
an exceptionally high sugar content
